Dear Ms. Boyd:

Enclosed for filing on behalf of FTC Communications, LLC d/b/a FTC Wireless, please find a copy of the company's State-designated Eligible Telecommunications Carrier (ETC) Report and Certifications filed with the Federal Communications Commission (FCC) and Universal Service Administrative Company (USAC), pursuant to 47 C.F.R. § 54.313(a) and relevant FCC orders. Pursuant to §§54.313(a)(5) and (6), all ETCs are required to certify to the FCC and USAC, and to the relevant state commission, that they are in compliance with applicable service quality standards and consumer protection rules, and that they are capable of functioning in emergency situations. Additionally, pursuant to §§54.313(a)(2)-(4), ETCs were required to report to the FCC and USAC, with a copy to the state commission, certain information regarding outages, unfulfilled service requests, and complaints if the ETC collected and reported such information to the state commission for calendar year 2011.

Please note that this information is being filed with the FCC and USAC. While the FCC rules state that a copy should be provided to the relevant state commission, the Commission is not required or asked to take any action at this time. Therefore, we are providing these certifications and data to the Commission for information only.
